---

As a reminder, the Program Fee covers the cost of student airfare, medical and liability insurance, visas, all orientation sessions and materials, and more. Students and their families are responsible for the cost of obtaining passports, for spending money in the host country (over and above the allowance provided by the host Rotary Club), for any optional tours during or at the end of the exchange year, and for language camps/orientations where offered. In the case of a student who withdraws from the program, or is disqualified from the program, prior to departure, Rotary will refund amounts paid in that have not been expended or committed to that point. For any student whose exchange is terminated early, either voluntarily or not, there is no promise of refund whatsoever. Application fees paid to the sponsor district prior to acceptance are not included in any of these amounts.
