Dear Al Kalter,

The Council on Standards for International Educational Travel (CSIET) has found Rotary Youth Exchange Florida, Inc to have fulfilled all the requirements for CSIET Listing and grants your organization a **Full J-1 Inbound Listing** for the *2018-2019 Advisory List of International Educational Travel and Exchange Programs*.

Recall that for the *2018-2019 Advisory List of International and Educational Travel & Exchange Programs*, there are four separate listing categories. The listing categories are as follows:

- Inbound J-1 Programs
- Inbound F-1 Programs
- Outbound Programs
- Short-term Programs (Inbound and Outbound)

\*CSIET listing entitles an organization to publicize the fact that its program is conducted in accordance with the published standards. Further, listed organizations are entitled to use the CSIET certification mark during the period it is listed in the publication in accordance with CSIET policy (see attached "CSIET Trademark Policy" document).

\*CSIET listing does not entitle an organization to any paid promotional opportunities (Weblinks, Direct Connect, Flyers, Stickers, etc). These opportunities will be available for purchase after the full 2017-2018 evaluation cycle is complete, at the end of March 2018. You then will receive a specific communication about promotional opportunities from our Director of Marketing & Communications, Charissa Slack. Promotional opportunities purchased after March 2017 (last year) will continue to be honored and will remain active on our websites until we update them in May 2018.

2017-18 Review Process

Programs were judged based on the following J-1 Requirements for CSIET Listing:

1. Programs must be paid CSIET Members;
2. Programs must complete the appropriate Application for Listing and pay the associated application fees;
3. Programs must be bona fide Department of State designees, but cannot be a school/school district so designated by the Department of State;
4. Programs must inform CSIET if they: a. cease operation; b. merge with or become acquired by another organization; c. have/received sanctions by the U.S. Department of State (including but not limited to letter of reprimand, probation, suspension, and/or forms reduction);

5. Programs that have received a greater sanction (suspension of program, loss of designation, a reduction of more than 15% of forms) by the Department of State in the year since the previous Listing will be subject to further review by the CSIET Accreditation Committee;
6. Programs that have outstanding/pending/unresolved complaints with CSIET will be subject to further review by the CSIET Accreditation Committee;
7. Programs must reaffirm their commitment to CSIET Standards every year and comply with CSIET Standards and Department of State regulations;
8. Programs that did not meet one or more of the requirements in the previous cycle must submit a management response addressing each deficiency and any corrective action taken to remedy that issue in order to receive a Full Listing in the *2018-2019 Advisory List*;
9. Programs that received a Conditional Listing in the previous cycle must meet all requirements in the current cycle to receive a Full Listing. If a program with a previous cycle Conditional Listing does not meet the requirements in the current cycle, it will be excluded from the *Advisory List*. Any program that has not submitted a management response that meets the review of the Accreditation Committee will be subject to further review and may be excluded from the *Advisory List*.

\*Newly applied J-1 organizations will be issued a Provisional Listing provided that they meet all the above criteria. Provisionally listed organizations must earn the Provisional listing status for a period of two evaluation cycles in order to be eligible for a Full Listing status. Provisionally listed organizations can reduce this period to one evaluation cycle by attending required training sessions at the CSIET Annual Conference. Contact the CSIET Offices for more information.

Congratulations on your new listing status! Thank you for your support of CSIET and its mission. Your cooperation in this voluntary process, your demonstrated compliance with the Standards, and your professionalism and goodwill throughout the process are very much appreciated.

Sincerely,

Christopher B. Page  
Executive Director
