Rotary Club Offer to Host – 2015-16

The Rotary Club(s) of _____ have agreed to host _____ inbound exchange student(s) for the 2015-16 year. We understand that it is the club's responsibility to:

- a. Assist in select not less than two (2) qualified families to host each student (families do not have to include Rotary members). Assist in interviewing the families and assist with checking their references.
- b. Arrange acceptance for the student in a local high school, with no tuition or fees expected from the student.
- c. Provide a monthly allowance to the student of \$90, and possibly budget an additional \$1,100 for inbound student activities, billed by the district in July and due by August (total annual club commitment of \$2,000 per student).
- d. Designate a club member, other than a host parent, to serve as the student's Counselor, to meet regularly with the student and provide all necessary support.
- e. Designate a club member, to serve as the student's Youth Exchange Officer, to act as a liaison and administrator for the student and club.
- f. Involve the student in club activities when appropriate, and invite the student to attend club meetings at least once per month.
